

# Walid Ahmed — Accounts Receivable Manager | Data & Finance Automation Specialist

Giza, Egypt • +20 01222499250 • walahmed.career@gmail.com • LinkedIn | GitHub | YouTube

## Professional Summary

Finance & Data professional with 10+ years of experience in Accounts Receivable, SAP FI-AR, and financial automation. Skilled in e-invoicing, VAT compliance, and cash collection with proven results reducing DSO and improving cash flow. As a freelancer, I deliver interactive dashboards, workflow apps, and automation tools for global clients using Python, Power BI, and Streamlit.

## Corporate Experience

### Chloride Egypt — Accounts Receivable Manager | 2020–Present

- Reduced DSO by 12 days and improved on-time collection to 96% via SAP dunning and collector KPIs.
- Deployed e-invoicing across all B2B transactions; cut posting errors to <0.5%.
- Automated VAT return preparation (-40% cycle time) and strengthened audit readiness.
- Built AR aging & dispute dashboards (Excel/Power BI) for CFO/Finance Director; enabled weekly cash forecast.
- Partnered with Treasury & AP/GL to accelerate cash app and reconciliation (-35% unapplied cash).

### Fairmont Nile City — Income Auditor | 2017–2020

- Reconciled daily revenue; led variance analysis; supported internal control testing.
- Improved month-end reporting speed by 20%.

### Fairmont Nile City — General Accountant | 2015–2017

- Managed GL postings, reconciliations, and tax support.
- Assisted in audit schedules and process improvement.

## Freelance Services

- Custom Dashboards (Power BI, Streamlit, Excel)
- Data Cleaning & Automation (Python/Power Query)
- Finance & Accounts Receivable Workflow Apps
- E-Invoice & VAT Compliance Tools
- Interactive Client Reports (PDF/Excel exports)
